An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ashley, Jr. on 4/12/06.

The application has been amended as follows:

In claim 8, line 13, change "the surface" to -a surface-.

In claim 8 , line 10, change "(c)" to "(d)".

The following is an examiner's statement of reasons for allowance: The crowded prior art of record , fails to teach or suggest the use of two stabilizer posts that are sized to terminate above the surface, of claim 1, or the four stabilizer posts of claim 8, or the method of claim 16.

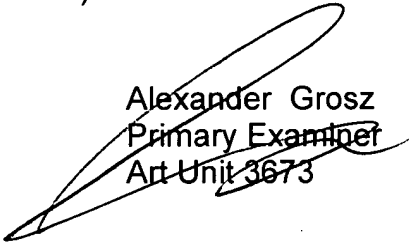

Mr. Ashley, Jr. indicated that the "BONAVITA" brochure cited on page 2 of the IDS is an ad for the product of applicant's 6,845,530 patent, and it is not prior art against the pending claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
